

Barb Stackhouse

Dentists deserve to realize the benefits of practice ownership, including a generous income and profit. However, many live with isolation, embarrassment and feeling like a failure as they worry about money and burn out from working hard without reward.

Since 2005, Barbara Stackhouse, RDH, M.Ed. BC-CAHP, D.PSc has helped over 400 dentists add thousands in revenue to their practice every month and boost profits by 5-10%. A mastery level certified Profit First Professional and Profit Advisor, Barbara is an expert at cutting expenses and increasing profit margins without compromising patient care. Her clients keep more money in their pockets, allowing them to fulfill their dreams for themselves and their families. Barb's extensive background in the dental industry gives her an advantage and deep understanding about the ins and outs of running a profitable, highly successful dental practice.

Barb is passionate about helping others on their journey to wellness in the areas of both finance and health. When faced with her own health crisis with an autoimmune disorder, she focused on traditional naturopathic training and became a Board Certified Complimentary & Alternative Health Practitioner.

Since 2005, Barb has been hired by dental organizations that would like to help their members gain sustainable practice growth with consistent profit distributions that allow them the lifestyle and freedom they desire and deserve. Attendees discover the truth about dental practice profitability and growth without the worry of increased overhead. Practice transformation can begin immediately. **Book Barb today!**

Learn the techniques that smart dentists use to **boost profits by 10%, keep more money** in their own pocket, and **stop the madness** of the hamster wheel... *without spending more time grinding it out at the chair!*
